Felipe Alfaya

Full-stack Web-Developer

ABOUT ME

I'm a self taught web-developer that focus on developing web applications using Angular, React and NextJS. With the time and wanting to get new experiences, I learnt NodeJS, Express and Restify, to expand my mind to new zones that I haven't reached before.

EDUCATION

Development System at SENAI CIMATEC
2021 - 2022 • Technical Course

Several Courses at Udemy and Alura
2021 - The moment
